Southbound US 183 to Eastbound SH 71 Exit Moves Temporarily North *Airport Impacts Expected*

(Austin, Texas) — Beginning as early as October 4, 2020* and lasting through the month of October, the Central Texas Regional Mobility Authority (Mobility Authority) is temporarily moving the location of the southbound US 183 left exit to eastbound SH 71 and the Austin-Bergstrom International Airport. The left exit ramp will be relocated to a temporary exit ramp located south of Vargas Road. Drivers on southbound US 183 should stay left after passing Montopolis Drive to access the temporary exit. Drivers entering US 183 south of the temporary exit, or those who miss the exit, should continue on southbound US 183, take the exit on the right towards westbound SH 71, then use the U-turn at Riverside Drive to access eastbound SH 71.

As early as Saturday, October 3, 2020* the northbound US 183 exit to eastbound SH 71 in this area will reopen.

For more information, visit the [183 South Project website](#).

****Dates are subject to change based on weather and other circumstances.***

###

About 183 South:

The Central Texas Regional Mobility Authority is building a new tolled expressway with three lanes in each direction on an 8-mile section of US 183 between US 290 and SH 71. In addition, the Mobility Authority will be reconstructing and improving the non-tolled US 183 general purpose lanes and adding \$25 million worth of pedestrian and bicyclist facilities. Phase I/North End of the project opened in August of 2019 and full project completion is expected in early 2021, offering greater mobility for all users of the corridor.

About the Mobility Authority:

The Central Texas Regional Mobility Authority is a local, independent government agency

created in 2002 to improve the regional transportation system in Travis and Williamson Counties. The Mobility Authority implements innovative and sustainable transportation options to enhance quality of life and economic vitality in Central Texas. The Mobility Authority operates 183A Toll, 290 Toll, the 71 Toll Lane, the MoPac Express Lane, the 45SW Toll Road, and the 183 Toll Road. The agency is finishing construction of the 8-mile 183 South Project and the 290/130 Flyovers Project. For more information about the Mobility Authority, visit www.MobilityAuthority.com
