## BOLM ROAD UNDERPASS CROSSING AT US 183 TO CLOSE PERMANENTLY Underpass U-turns to Remain Open

Dear 183 South Project Neighbors:

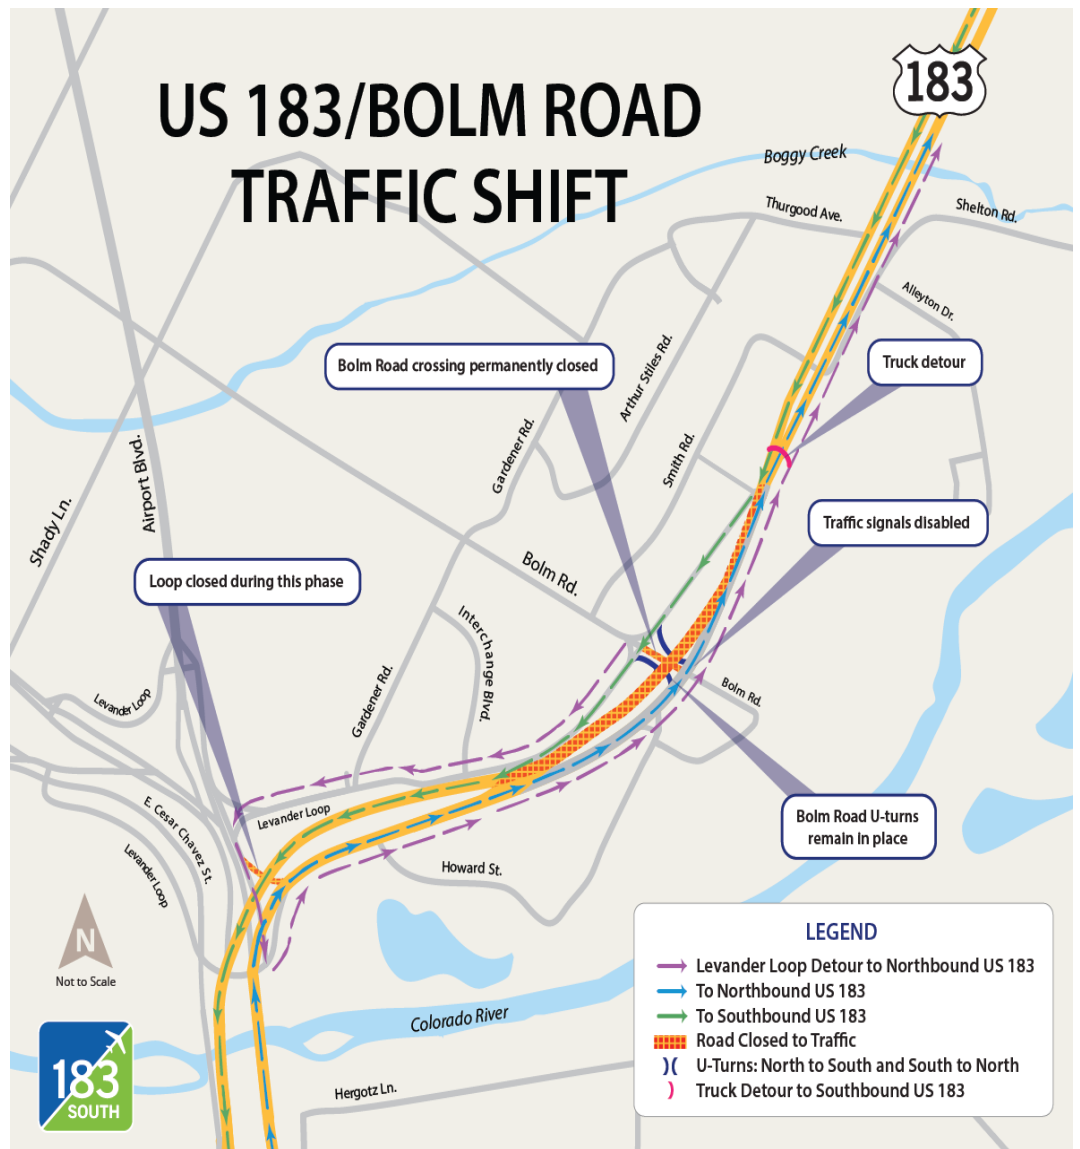

Please be advised of upcoming travel impacts and detours that may affect access to your residence and/or business. **The Bolm Road underpass crossing at US 183 will CLOSE PERMANENTLY to traffic beginning as early as October 5, 2018.\*** This will facilitate construction of the new and improved 183 South Expressway. Please take note of the following long-term travel impacts associated with this detour:

### LONG-TERM IMPACTS:

- The Bolm Road underpass crossing at US 183 will **CLOSE PERMANENTLY** to eastbound and westbound cross traffic.
- The U-turns at Bolm Road/US 183 will **remain open during this phase of construction.**
- US 183 northbound (blue arrows) and southbound (green arrows) traffic will shift to the frontage road lanes at Bolm Road. **The traffic signal at Bolm Road will be turned off** to allow traffic to flow continuously through the intersection and re-enter the US 183 mainlanes.

### SHORT-TERM IMPACTS:

- *Intermittent U-turn closures will take place while the US 183 overpass bridge is being deconstructed. Follow signed detour.*

*\*Dates are subject to change based on weather and other circumstances.*

## Detour Routes

### Detour Routes:

- ♦ Bolm Road Eastbound to US 183 Southbound: Turn right onto the frontage road lanes and merge left to access US 183 southbound.
- ♦ Bolm Road Eastbound to US 183 Northbound: Turn right onto the frontage road lanes and utilize the non-signalized south to north U-turn at Levander Loop to access US 183 northbound.
- ♦ US 183 Southbound to US 183 Northbound: Take the non-signalized south to north U-turn at Bolm Road.
- ♦ US 183 Northbound to US 183 Southbound: Take the non-signalized north to south U-turn at Bolm Road.
- ♦ Texas Concrete to US 183 Southbound and Bolm Road Westbound: Turn right onto the frontage lanes and take the new temporary north to south U-turn located just north of Bolm Road.
- ♦ US 183 Southbound to Texas Concrete: Take the non-signalized south to north U-turn at Levander Loop to access US 183 northbound.

**Alternate Routes:** Drivers may experience increased travel delays on US 183. Potential alternate routes include: *Gardner Road ♦ Airport Boulevard ♦ Shady Lane ♦ Springdale Road*

**Know before you go! Expect travel delays and plan accordingly.**

### Please be advised:

- Variable message signs will alert travelers in advance of the closure.
- There will be no bicycle or pedestrian access across US 183 at Bolm Road.
- Please refer to Capital Metro's website for area bus route locations and schedules: [www.capmetro.org](http://www.capmetro.org)
- For your safety and the safety of our construction crews, we urge you to 'Drive Friendly,' stay alert, and minimize distractions. 'Thank You' in advance for your patience.
