## CROSSINGS AT US 183 CLOSING PERMANENTLY Detour via Non-signalized U-turns at FM 969 and Bolm Road

Dear 183 South Project Neighbors:

Please be advised of upcoming changes along the US 183 corridor. **As early as December 5, 2018\***, the non-signalized south-to-north U-turn at Bolm Road will reopen, and the Central Avenue, Techni Center Drive, and Hudson Street crossings at US 183 will **CLOSE PERMANENTLY**. During this phase of work, the traffic signal will remain for northbound US 183 traffic at Techni Center Drive to facilitate egress. However, the traffic signal for southbound travel on US 183 will be permanently removed in conjunction with the closure of the Techni Center crossing at US 183. Drives will use the non-signalized U-turns at FM 969 (MLK Boulevard) and Bolm Road for access, as shown in the map below:

*\*Dates are subject to change based on weather and other circumstances.*

## Know before you go! Expect travel delays and plan accordingly.

### Please be advised:

- Please refer to Capital Metro's website for area bus route locations and schedules: [www.capmetro.org](http://www.capmetro.org)
- For your safety and the safety of our construction crews, we urge you to 'Drive Friendly,' stay alert, and minimize distractions. 'Thank You' in advance for your patience.

## QUESTIONS? Contact Us!

Contact us via the 24/7 bilingual project hotline (512) 640-0060 or toll free at 1-855-245-4272 or via our website at [www.183south.com/contact](http://www.183south.com/contact)

**Social Media:** Follow us on Twitter @183south for daily Tweets about temporary lane closures and detours

**Weekly E-Blasts:** Sign up for e-mail alerts, sent each Friday, with a list of closures anticipated for the following week at [www.183south.com/alerts](http://www.183south.com/alerts)
